50<sup>TH</sup> ANNIVERSARY**

**An Evening with Mike Wood**

Not many people can remember exactly what they were doing 50 years ago – Mike can!

He was part of the BMC works team taking part in one of the longest motorsport events ever staged. One likely never to be repeated the London Sydney Marathon.

Many of the pictures in the presentation were taken by Mike and are unique telling the story from the competitors seat.

This will be a fascinating evening for all who remember the golden age of rallying.
