31st Coast to Coast Classic Car Run

Saturday, July 13th 2024 Regulations & Entry Form

A scenic tour for Vintage, Classic and Cherished cars

Introduction

It once again gives us great pleasure to invite you to take part in this popular event. This run will take you from The Midland Hotel, Morecambe to Dunsley Hall, near Whitby over some of the finest roads in the north of England. As usual we have changed some of the route (quite a lot actually) as usual we will have a comfort break, where refreshments may be purchased mid morning at The Helwith Bridge Inn. The lunch halt at The Inn South Stanley near Ripon. We are happy to return to Scripps Garage in Aidsensfield (Goathland) for our afternoon control with the finish at Dunsley Hall, Sandside near Whitby.

The comprehensive Route Book will have both Tulip and descriptive formats and you will also receive a Route Information Book which highlights some of the places of interest on your journey.

We have many new areas to explore plus some popular places revisited.

Accommodation is available, first come first served, at Dunsley Hall (<http://dunsleyhall.com/>) or ring 01947 600469 but do remember to state you are part of the event as we have prebooked all the rooms to the event. If they are full there is alternative accommodation about 2 miles down the coast road towards Whitby by the Golf Course. It is the White House Hotel, and they have all their rooms available on Sat 8 July at present. We believe the price is the similar to Dunsley. Telephone 01947 600469 Bar and food available.

The event is a Touring Assembly and Concours organised under a Motorsport UK Certificate of Exemption and the route has been cleared with the Route Liaison Officers for the counties we are visiting.

The entry fee includes an Afternoon Tea (sandwich, scone, tea/coffee) and Concours D'Elegance at Dunsley Hall. Lunch may be purchased at the The Inn, South Stainley (telephone: 01423 779 060).

Once again the LAC has adopted the FBHVC 'Tree-V' environmental initiative that captures carbon dioxide generated by the entrants by contributing to the planting of trees in the UK. This will help to demonstrate the Club's environmental commitment to potential sponsors and local authorities.

The event is open to all types of car and age.

We look forward to seeing you in July.
